Adi Peery, CSM
Vice President Portfolio Services

Adi Peery, Sr. Portfolio Manager, has been with NAS since 2009. Adi came to NAS with over 25 years of experience in asset and property management of commercial real estate with a primary focus on retail, office and student housing investments. In addition to her background in asset and property management, she has extensive experience in leasing and tenant relations, and has overseen property rehabilitations in excess of \$1 Million.

Adi is the former Commercial Portfolio Manager for Starpoint Properties overseeing 2.1 million square feet of commercial assets nationwide, valued at over \$350 million. Adi negotiated numerous lease transactions with nationwide chains and franchises achieving an unprecedented Starpoint record for commercial tenant retention. Prior to Starpoint, Adi worked with Oakwood Corporate Worldwide assisting in the oversight of their commercial portfolio.

As a senior executive, Adi has been involved in corporate level committees to set and implement core competency strategies to increase profitability, and has been credited with designing proprietary procedures to enhance property operational efficiency. She has spent over 10 years within the tenant-in-common (TIC) arena and has networked to a broad range of brokers in the TIC sales and transactions forums.

Adi has an undergraduate degree from the University of California, San Diego and a post-graduate Master of Arts degree in Communication Management from the University of Southern California, the Annenberg School. She is a licensed real estate salesperson in the State of California and has a Certified Shopping Center Management (CSM) designation from the International Council of Shopping Centers.
